Contribution categories and how they are counted

Official classification of contributions received by the Prime Minister Disaster Relief Fund

A

Online / banking channels (NPR)

Amounts settled into the Fund's bank accounts via the NCHL and Fonepay networks through donate.gov.np. The bank-wise fund status statement (Nepal Rastra Bank) is the account view of this same money and is not added on top.

B

Cheque / handover to the Hon. Finance Minister (NPR)

Cheques and bank transfers handed over to the Hon. Finance Minister by institutions and individuals — a separate, name-wise database.

C

Foreign assistance — foreign-currency deposits (USD)

Total foreign currency deposited after the flood in the Fund's USD accounts (Himalayan Bank, Laxmi Sunrise Bank) per the Prime Minister Disaster Relief Fund status statement (Nepal Rastra Bank). This is the foreign-assistance total; named contributors are a subset of it.

D

Foreign assistance — identified contributors (USD)

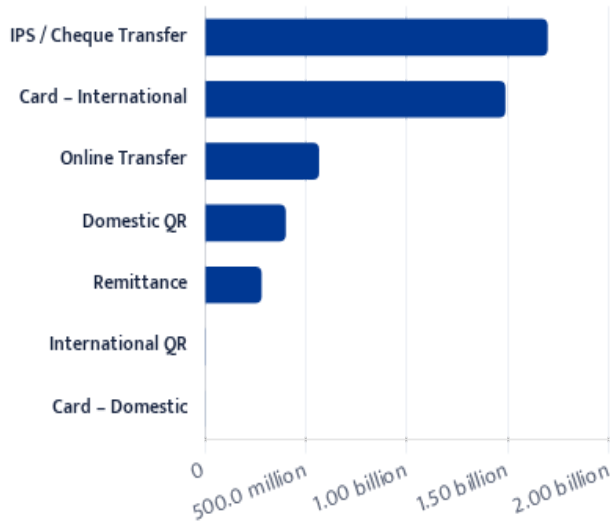

Verified, named contributions from foreign governments, embassies, corporations and donors, including USD cheques handed over to the Hon. Finance Minister — already inside C, not added again.
